## QUALIFICATIONS

Offered through our jointventure with a UK-authorized financial institution, the UK Immigrant Investor Program is a three-tiered system enabling individuals who invest at a higher level to be granted residency sooner. To qualify for the program, applicants must fulfill one of the investment options as well as meet the following requirements:

Be able to maintain and accommodate yourself and any dependents without taking employment (outside of self-employment or business);

Make the UK your main home. Investors will need to spend at least 50% of their time there (6 out of 12 months) to maintain their visa status.

## WHY CHOOSE THE UK?

Residency or citizenship status in the UK provides investors with a world of exclusive benefits:

- ♦ A diverse and multicultural society represented by large cultural and ethnic communities;
- ♦ A superior standard of education, a broad network of state and private schools, and more than 150 universities and higher education institutions;
- ♦ One of the best free health care services in the world;
- ♦ A member of the G8;
- ♦ A key member of the EU, which means greater business opportunities throughout Europe;
- ♦ An unrivalled financial business center (London);
- ♦ An attractive tax regime for high net worth investors classed as "UK resident, non-domicile";
- ♦ The travel mobility and security of a UK passport.
